

## Welcome to the 3rd Good Food Cardiff Autumn Festival!

The Festival is a city-wide programme of food events to celebrate the city's good food movement by connecting through food. By taking part, you'll be building on the success of last two Autumn Festivals where community groups, gardens, local businesses and schools organised 68 events and activities, attracting over 5,000 attendees, distributed more than 5,000 vegetable plants and shared 100s of meals.

### Grant Offer

Food Cardiff are offering small grants of £50 - £150 to enable not for profit groups to host events or activities as part of the festival. The money can be used for activity costs (for example, seeds, transport, technology, food etc.), equipment (for example, induction hobs, fridges, durable gardening tools, compost stations etc.), staff costs, or a combination of the three.

We invite applications for events which promote the [5 Good Food Goals](#) (see below) and take place in the Cardiff Local Authority area between 10th September 2022 and 16th October 2022.
