

Grant Offer

Food Cardiff are offering small grants of £50, £100, £150 or £200 to enable not for profit groups to host events or activities as part of the festival. The money can be used for activity costs (for example, seeds, transport, technology, food etc.), equipment (for example, induction hobs, fridges, durable gardening tools, compost stations etc.), staff costs, or a combination of the three.

We invite applications for events which promote the 5 Good Food Goals and take place in the Cardiff Local Authority area between 1st – 30th September 2024.
